

Idea Seeding

Below is a list of potential practical skills you might consider and by no means an exhaustive one. These are offered just to get your ideas flowing. I cannot possibly think of all the skills that might be relevant and of interest to you. I will look forward to learning of all the wonderful and interesting ideas that you come up with 😊

****IMPORTANT****

Any aspects of your assignment that involve safety concerns must be supervised by a competent adult.

Car maintenance

- Changing oil
- Detailing
- Washing...waxing?

Yard work

- Lawn care
- Equipment maintenance
- Garden care
- Tree care (ie pruning)

Household

- Interior Painting
- Exterior Painting
- Window cleaning (ladders with supervision only!)
- Meal Planning/Preparation
- Sewing, Knitting

Bike maintenance/care

- Chain replacement / cleaning
- Wheel truing
- Suspension service

If you have a shop... oooh, so many things!

Have a boat? - Boat maintenance/care: trailer bearings

Perhaps you are already working on a personal project of some length. This could work very well as a focus for your assignment.
